DETAILED ACTION

Allowable Subject Matter

Claims 2-14, 23-28, and 30-37 are allowed.

The following is an examiner's statement of reasons for allowance: as previously indicated, the particular methods and mechanisms of control were not found in the prior art. The amendment to the claims incorporates this subject matter into the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

Applicant's arguments, see Remarks, filed 31 Aug. 2005, with respect to claims 2-14, 28, and 30-35 have been fully considered and are persuasive. The rejection of claims 2-14, 28, and 30-35 has been withdrawn.

The office received an additional amendment on 02 September 2005. However, in view of the Power of Attorney of 30 January 2005, no further comment on said amendment was deemed necessary.
